Hi! I'm Lilla.

I'm in the summer we and Eriko
were in Croatia. It was so close
to the sea, so every day we had
bath there. The beach was an ice-cream
cafe where we ate ice cream. One day
we went to Trogir which is a fa-
vourite Croatian community. We
looked at Nin is similar to Trogir. We
were on a sandy beach but we did
not stay there long time because it
started raining. On the last day we
went to Zadar and then home. The
trip took 9 hours. I felt very well.
And your summer Esther?
Please, write me back soon.
